**RE: Work Completion Notice and As-Built Drawings**

Dear Carl:

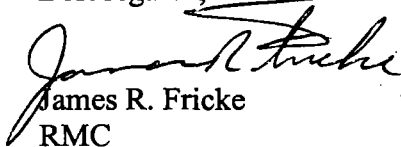

Enclosed you will find the Work Completion Notice and attendant addendum for the remediation of your properties located at 8907 South/60 East and 8920 South /71 East. I apologize for the length of time it has taken to recognize your ownership of the subject properties. We were not aware that Mr. Cervantes had sold the property during the project.

During our previous conversations you have expressed that you would like to have all four addresses (the two mentioned above and 8920 So. 71 & 73 East) noted on the map and the addendum. Only the properties that were remediated can be listed on the As-Built maps and Work Completion Notices. Therefore we cannot add the additional addresses to the notices.

Please sign the As-Built map in the Work Completion Notice box and return the map to the undersigned at the above address.

If you should have any questions regarding this matter or if I can be further assistance please do not hesitate to give me a call.

Best regards,

  
James R. Fricke  
RMC
